

to park + to give sb a lift

Many citizens use despite a good public transport service in the region the car when it comes to achieving their employment or training. Parking + Ride courts allow motorists to reduce their own costs and to contribute to environmental protection.

The principle of P + M:

On a P + M Square arrange to meet several people and join a carpool together - supernumerary Cars may be parked for the duration of the trip there. Concrete carpool, see e.g. about car-sharing on the Internet or through a car-sharing service with your employer.

What advantages do you have by P + M?

P + M worthwhile especially when further and regular routes. Therefore, the offers are in Freiburg close to the A5 motorway junctions - so interesting especially for commuters with long car trips. Fiscally you can assert the way between home and work as before.
